Perfect Combination

The 112 pages book "AutoCult" is a different kind of book - it is THE book for the automotive enthusiast who wants to learn more about the many stories of long forgotten automobiles, brands and other developments. Whether rare, fast or strange - many interesting stories in conjunction with precise historical accuracy, flanked by many historical photographs and illustrations of AutoCult models, make this book (as well as all future editions) a reading experience for those interested in automotive history.

AutoCult present as Model of the Year the Brandpowder 911 DS. A fiction that was created by an US advertising company and was presented not only as a design it was presented as a true story and the reader could think that the model would have been created in 1:1.

The motor magazines believed that story as well the readers.

We think that this fiction is an absolutely perfect styled symbiosis and it is a must to

make that in our category Model of the Year - limited to only 333 pcs.

Together with the book it is a very special gift not only for X-mas.
